Page Prototype

Step 1: Design an Event

Competitor site 1: Facebook
- Event name
- Event type
- Buttons for interested/going publicly
- Date/time
- Location
- How many people interested/going

### Competitor site 2: Yelp
- Event name
- Event type
- Many photos
- location
- Rating
- Delivery options

My site: <Living La Vida Local>
- Photo of event
- Event name
- Event info
- Related events

Step 2: Prototype an Event Area
Here is a prototype of how the Event area will look

Beer at the Zoo

Description: Come drink beer and look at cool animals!
Date: Thursday, January 6th, 2020
Time: 6-9 PM
Average Cost: $20 entry
Where: Woodland Park Zoo

Step 3: Prototype the Event Page

Search

Distance   popularity   price

2/5/2020

Living La Vida Local

Beer at the Zoo

Description: Come drink beer and look at cool animals!
Date: Thursday, January 6th, 2020
Time: 6-9 PM
Average Cost: $20 entry
Where: Woodland Park Zoo
